

PARKING & ARRIVAL INFORMATION

With approximately 400 guests planning to attend, we highly recommend that you prepare ahead of time for travel and parking.

Rideshare (Recommended)

Uber, Lyft, or carpooling are recommended to avoid parking wait times.

Public Transportation (Recommended)

Take the trolley to the Washington Street stop. Walk one block east on Washington Street to Hancock Street, turn right. The Julep Venue is on the right side before Emory Street.

Valet Parking

Valet Parking is available to all guests at no cost. Valet stations will be located inside the venue parking lot (see map). Expect wait times. ACE Parking is managing our valet service.

Self-Parking is Street Parking

Street parking is available around the JULEP Venue along Hancock Street, Emory Street, Washington Street, India Street and Kettner Street toward Little Italy. While most of these spots are free, please note that some of these spots may be metered. 211 San Diego volunteers will be available to help direct you if you need assistance.
